EARLY SKETCHES

A collection of early sketches for the movie 'Star Wars'. The sketches are drawn in a simple, hand-drawn style. At the top, a character resembling Yoda is shown with a speech bubble that says "MAY I TAKE YOUR ORDER?". Below this, there are several other sketches: a character resembling Luke Skywalker with a speech bubble that says "WHAT THE?!?", a character resembling Darth Vader with a speech bubble that says "BEHOLD OUR SAVIOR 'CARL'", a character resembling Han Solo with a speech bubble that says "DEREK.", and a character resembling Chewbacca with a speech bubble that says "AHEM!". There are also sketches of various props and settings, including a star-shaped object, a planet, and a character resembling a droid. The sketches are arranged in a collage-like fashion, with some overlapping. The background is a light blue color with a subtle pattern of stars and planets. The overall style is reminiscent of the early concept art for the movie.
